NEXT STEPS

So you've had a peak at our wonderful wedding venues; if you need some more help with finding the right one for you please get in touch with our central Wedding Team who will be able assist in finding the perfect venue for you on weddings@fullers.co.uk. You can also look for more options on www.fullers.co.uk.

If you've found 'the one', here are your next steps:

- Get in touch with either your venue contact or our lovely central weddings team who will be able to provide the relevant information and arrange a venue viewing for you.
 - Following your viewing, the team will provide you with an initial quote and deposit details to help you budget accordingly.
 - When you are happy and ready to confirm, we will send you the payment link for your deposit and contract. This outlines your initial booking details, terms and conditions, and any restrictions the venue may have.
 - Once your contract is signed and deposit paid, congratulations, you have officially confirmed your wedding venue! Now the planning fun begins and you will receive a booking form to use as a wedding planner.
 - Our team will tell you the next steps from here, but in general, you will be contacted approximately 6 months before the big day to discuss a food tasting, how your plans have developed and discuss a run through of your day.
- Four weeks before your big day, we will need your final numbers and catering choices. We will then send you the final invoice and payment link to settle the remaining balance for your food and drink.
